I'M A NEW EMPLOYEE,
HOW DO I CLAIM MY
FREE TRAVEL PASS?

Five easy steps to claim your **FREE** bus travel

1

First you will need to download our **Konectbus** app onto your smart phone to receive your complimentary travel. If you do not have a smart phone, please get in touch with us by email feedback@konectbus.co.uk.

2

Next, inform your employer, and ask them to send us an email confirming your full name and start date to feedback@konectbus.co.uk.

3

Once your employer has confirmed your application, we will supply you with a discount code to claim your 4-week bus travel on our app or send you out a paper ticket.

4

Enjoy your FREE travel. Simply place your smart phone displaying our **Anywhere Anytime** QR code on the ticket machine when you board the bus.

5

Use your ticket whenever you like, not just to and from work. Whether it is a speedy trip to that important meeting or a shopping trip or coffee with your friends. The ticket is valid for 28 days from the first time of use.

We will contact you before your ticket expires with a range of ticket options available so you can upgrade to one which suits your commute to work.
