Download the Konectbus app and start planning your fun-filled family day out whilst raising much needed funds for...

break

# DINO-SNORE

This pink, spotty prehistoric dinosaur has been up way past his bedtime!

He's ready for bed in his stripey blue pyjamas and cosy bunny slippers, **but SHHHH! Don't wake him, or he may just eat you up for lunch!**

Konectbus are very proud to sponsor our sleepy Dino-Snore designed by talented artist Donna Newman from the Midlands.

**DID YOU KNOW?**

The largest and oldest mammoth ever to be found in Britain was discovered in Norfolk!
